

BRIGHTBOARD PROFESSIONAL SERIES

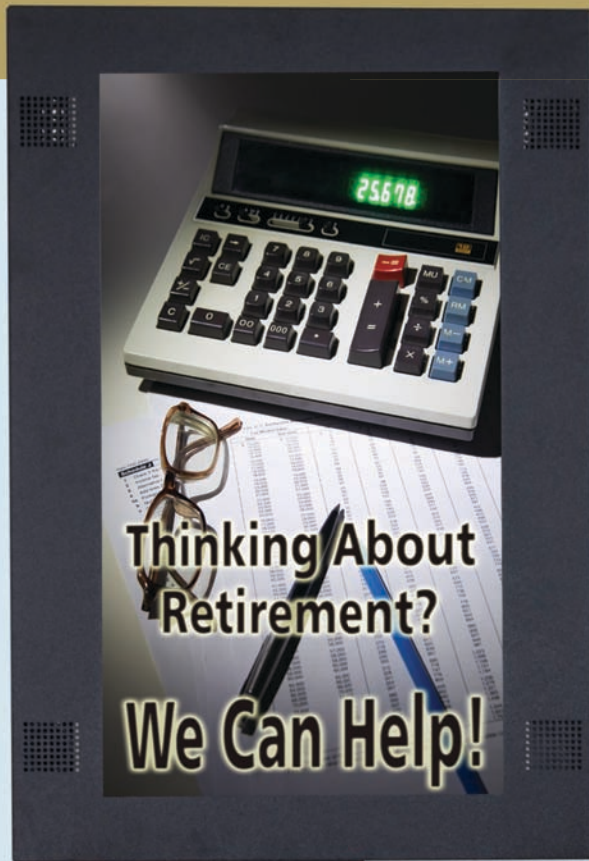

The Brightboard Professional Series pedestal product line is available in 20.1", 32", 37" and 42" sizes.

Our "Stand Alone" HD models loops JPEG and MPEG content without any user interaction.

Our "Network Enabled" models are ideal for customers that need the ability to change content over their network. PC & MSO software required.

Content for the Pro Series products are created using graphics software you are familiar with such as Adobe Photo Shop and Microsoft PowerPoint.

All systems include everything you need for operation, including a flash memory card, USB card reader/writer and user manual.

- Large bright, hi-res LCD screen
- Solid-state, silent operation
- Easy set-up and installation
- JPEG/MPEG file formats
- No PC or network connection required
- Plugs into standard 110V AC outlet
- Commercial grade steel enclosure
- Backed by our 1-Year warranty
